After this we are exploring the island with a bus, visiting some of the most famous beaches and the inner landscape. We see fishermen and kaikis, small private chapels and houses built in typical cycladic style.

In the second main village of Mykonos, Ano Mera, an idyllic place 6km from town, where the guests have enough free time for a stroll around the traditional square and they can visit the monk monastery Panagia Tourliani built in the 16th century.

Next stop is Kalafatis beach where there is time to relax a little and have a coffee or a refreshment (not included in the price), before going back to town and to reach a place with a fantastic view all over the town and neighbor islands.

Shared Transfer from/to hotel Cost 9 euro per adult per way (short) or Cost 17 euro per adult per way (long)

Cruise the crystal-clear waters of the Aegean Sea and discover the most beautiful beaches of the protected south coast of Mykonos.

We start at 10 am to cruise along the South Coast and relax on our traditional Greek Kaiki style ship while passing closely all the beautiful beaches of the South Coast. If weather permits, we cross over to the uninhabited island of Dragonissi with its caves and stunning rock formations; these are full of minerals and create the most amazing colors in the water. With some luck we see the wild mountain goats and eagles.

Afterwards we stop at the natural beach of Frangias where we have time for swimming and snorkeling in the crystal-clear water. We have a picnic on the beach with wine, Ouzo and Greek snacks.

Our next stop is at the picturesque bay of Kalafatis where you can relax and enjoy lunch in a beautifully located restaurant right by the sea. Lunch consists of a personal Greek salad, Tzatziki, bread, oven roast chicken with potatoes or a vegetarian pasta dish, 1/4 l of wine and water. After lunch you have time at leisure to spend on the beach or in the coffee bar by the sea. Also, there is the possibility for plenty of water sports activities on Kalafatis beach.

We then board our boat to continue for our next stop at the famous Paradise Beach. Here you have the opportunity for another swim or to see the party in the Tropicana Bar which has just recently been elected as one of the best beach bars worldwide.
